

## Cash SC

Concentrated foliar nutrients

**Calcium (Ca) Boron (B) and Zinc (Zn) in a suspension concentrate formulation (SC)**

<b>Analysis w/v (w/w):</b>	Calcium (Ca) as Calcium Oxide (CaO)	56.0% (32.0%)
	Zinc (Zn)	3.1% (1.77%)
	Boron (B)	1.8% (1.03%)

### Uses

A foliar spray for a wide range of crops including field vegetables, top fruit and soft fruit to improve yield and quality.

It can be difficult for the plant to obtain sufficient of these nutrients through the roots. Foliar application boosts tissue levels and helps maintain the optimum concentration of these nutrients to obtain the best yields of quality produce.

### Benefits

A combination of nutrients which will encourage flower and fruit formation, and the subsequent development of firm fruits and tissues with a good post-harvest shelf life.

Slow release formulation of mineral nutrients with no risk of scorch.

Concentrated nutrients in convenient SC liquid formulation.

### Physical data

<b>Specific gravity:</b>	1.75 kg per litre.
<b>Appearance:</b>	Opaque viscous liquid
<b>Solubility in water:</b>	Suspension that is fully miscible with water

## Directions for use

- Application rates:** 1 – 2 litres per hectare in at least 200 litres of water per Ha.
- Timing:** First application just before flowering. Repeat at 14 day intervals up to harvest.
- Directions:** Half fill the spray tank with water and start agitation. Shake the product container before use. Add the required amount of Solufeed Cash SC. Add remainder of water, maintain agitation and spray directly.
- Tank mixing:** Do not mix with sulphates or acidic products. Check and comply with tank mix instructions on partner product.

## General information

- Packaging:** 1 litre & 5 litre.
- Harmonised  
Tariff No:** 28365000
- Technical service:** For further information, assistance and access to The Solufeed Advisory Service, please contact Solufeed at the address below.

## Precautions

Harmless when used as directed.

Detailed health and safety information may be found on the relevant Material Safety Data Sheet (MSDS) available on request from the address below.
