

## Grammy

Broad Spectrum Foliar Nutrition

*Balanced nutrient supplement for  
wheat and other graminaceous  
crops*

### Uses

A foliar feed for wheat, barley and other graminaceous crops. Use to supplement the nutrient status of the plant during rapid spring growth or when the root system is unable to supply sufficient nutrients due to cold, wet, compaction, poor soils etc.

### Benefits

- A rapidly available supply of a balance of all essential nutrients in soluble form
- Chelated micronutrients for efficient feeding and good mixing ability
- Readily and completely soluble
- Good mixer with other agricultural chemicals
- Excellent value for money
- Concentrated. Easy to use, handle and store. Minimal packaging waste.

### Chemical/physical data

<b>Analysis % w/w:</b>	Nitrogen (N)	20.00
	Phosphorus (P) as P <sub>2</sub> O <sub>5</sub> soluble in water	8.00
	Potassium (K) as K <sub>2</sub> O	14.00
	Magnesium (Mg) as MgO	3.00
	Soluble Sulphur (S) as SO <sub>3</sub>	17.00
	Boron (B) soluble in water	0.010
	Copper (Cu) chelated by EDTA	0.002
	Manganese (Mn) chelated by EDTA	0.060
	Molybdenum (Mo) soluble in water	0.001
	Zinc (Zn) chelated by EDTA	0.002

**Appearance:** Blended crystalline powder with blue indicator dye

**Solubility in water:** More than 200 g/litre at 20°C

**Heavy metal content:** Less than 10 ppm

**Purity:** Free from radio-active and other harmful substances.

### Directions for use

**Application rates:** 3 – 6 kg per hectare

**Directions:** Half fill sprayer. Agitate. Slowly add product allowing time for the product to dissolve in the water. Top up tank with remaining water. Maintain agitation. Spray without delay.

**Statutory caution:** Harmless when used as directed.

### General information

**Packaging:** 10 kg or 20 kg bag

**Harmonised  
Tariff No:** 3105 2010

**Technical service:** For further information, assistance and access to The Solufeed Advisory Service, please contact Solufeed at the address below.

### Precautions

Detailed health and safety information may be found on the relevant Material Safety Data Sheet (MSDS) available on request from the address below.

### Important

The information in this document has been prepared carefully and is provided in good faith. The application, use and processing of any material together with regulatory compliance is the absolute responsibility of the Buyer. All technical information or other advice provided by the Seller in any form is given without warranty to the full extent provided by law.
